Hotel Facilities

Do you have a restaurant at the hotel or do you suggest a restaurant?

L'Antico Pozzo does not offer dinner service, and we do not have an on-site restaurant. However, our hotel offers a delicious breakfast, and just steps from the hotel, here in the historic center,there are numerous excellent restaurants, offering a wide variety of cuisines to suit every taste, whether you prefer local specialties or international dishes. We would be happy to provide you with recommendations tailored to your preferences. At check-in, we will inform you of the best dining options available, and throughout your stay, we are here to assist you in finding the perfect spots for every occasion.

Usually, unless you're traveling with a large group, reservations are not mandatory in advance. However, if you'd like help with making a reservation or need any further suggestions, please don't hesitate to ask!
